MEMORANDUM FOR : Comptroller, DPD
SUBJECT : Additional Funds Required
in FY-62

1. In addition to the funds required to meet (a) processing and film procurement costs at Eastman Kodak during the remainder of this fiscal year, (b) the [redacted] which I understand we will get [redacted] and (c) the [redacted] we have asked for procurement of aircraft for [redacted] we will also require \$50,000 for the replacement of System VI duping equipment at [redacted] and approximately \$60,000 for the procurement of film processing equipment to be located in the [redacted]

2. Although the requirement for duping processing equipment is now almost a month old, we had been assured by OSI [redacted] that funds for the purchase of the duping equipment would be provided by the DD/I. We have just learned that such funding is not available and the problem of obtaining such funds is again ours.
